## **Gilbert pleased local communities received transportation grants**

**LANSING** – “I’m pleased to hear that St. Clair County and Port Huron were among the recipients of the new transportation enhancement grants awarded by the Michigan Department of Transportation. These grants will help improve our local communities and encourage growth downtown. It also is great that the funds will be used to help connect the Wadhams-to-Avoca and Bridge-to-Bay trails, making them better than ever.”
